The Glamour, The Elegance, The Legacy...The Ebell of Los Angeles

## Ebell's New Summer Cocktail

April 27, 2009 by Melissa

We recently had the pleasure of hosting [Your Wedding Day's Industry Showcase Event at The Ebell of Los Angeles](#) and we were tasked with creating a cooling concoction incorporating [Ventura Limoncello](#), one of our showcasing sponsors. What a fun task to tackle - and I gladly did so one Saturday afternoon with no where to go but the patio to sip, fine tune and enjoy.

Here's the recipe we served as guests entered the Ebell's gorgeous [courtyard Garden](#). Mix one and enjoy in your favorite outdoor setting this summer!!

### California Sunset

In a shaker with ice mix:

3 oz Ventura Limoncello Originale

2 oz Sweet & Sour

1 oz Cranberry Juice

1 oz Club Soda

Serve over rocks in a high ball glass

Garnished with a lemon slice

*(for a slightly sweeter version, you can use 7up instead of Club Soda)*
